WISHING YOU ALL THE LUCK OF THE IRISH!

The Lady Rockets were able to secure a win for both the District and Divisional title games.

Spring is near but that doesn't mean it's time to break out the shorts and tank tops quite yet. Unfortunately the weather still indicates a colder season for at least a few more weeks so stay warm! Also, be prepared for an extra hour of sleep to be stolen and being a little extra sleepy lately with the 'spring forward' time change happening. Double check to make sure your clocks have been changed!

Throughout the month of March students will be extremely busy with events such as State FFA, State BPA, State C Girls Basketball Tournament, Junior High and Elementary Basketball, the Senior Trip, and the beginning of the Track and Field season. As for the younger students, they are patiently waiting for the day of March 17th to set their traps and finally capture the greedy tiny old man known as the Leprechaun. Will he escape this year again or will the young children finally achieve victory?

THE TOURNAMENT OF BOOKS WINNER

BY: CONNIE COOPER

During the last week of february and the first week of March the Tournament of Books came to an end. It was a tough and fun process watching all the excited qualifiers freaking out and wondering whether or not they are going to win. However, In the end there would only be one winner.

The final round of the tournament was heated! It came down to sophomore TJ Chirrick reading Snow Dog Go Dog and previous teacher Miss Shannyn Wilson reading farewell To Shady Glade. The vote was extremely close, but the winner of The Tournament of Books for the 2023 year is Miss Shannyn Wilson. TJ Chirrick was merely one vote away from tying for first place.

DIVISIONALS AND STATE

Roberts v. Jordan 53–47

Roberts v. Broadus (semifinals) 56–47

Roberts v. Ekalaka (championship) 64–54

The Roberts lady Rockets have made history!! For the first time in program history the girls basketball team has won the divisional championship and is going to state at MetraPark in Billings. It was a long fought journey and the support from the community has been outstanding.

Roberts v. Manhattan Christian 56–58

During the first round of the state tournament the Lady Rockets came out firing with a 14-9 lead in the first quarter. However, throughout the game the lead was changed multiple times between the teams, and in the final seconds of the game the Rockets lost by 2.

Roberts v. Chinook 61–76

The Rockets then were forced into a loser out game at 10:30 am on Thursday where they inevitably lost.

The lady Rockets season has proved to be one of the best in program history. The team hard work and dedication has earned them many achievements. The school couldn't be more proud of what the team has done this year. Way to go Rockets!

Word in the Halls

By: Lilly Hyvonen

Word in the halls is back in business people, I've asked four people two questions. The first question asked was what do you think wabbit means? Senior Connie Cooper said she thinks it means rabbit. Junior Hailey Croft said a wonderful rabbit. Sophomore Timothy Cooper said a rabbit but a baby said it. Freshman Abigail Swansborough said a crazy rabbit.

The second question we have is what is your favorite thing about St. Patrick's day? Connie said she likes watching the little kids do their leprechaun traps. Hailey said she likes pinching people if they're not wearing green. Timmy said he doesn't have a favorite thing about St. Patrick's day. Abigail said she likes seeing everyone wear green.

Wabbit means feeling very tired
weak and not very healthy
