CONGRATULATIONS
CLASS OF 23!

School is back in session! All the students and staff are happy for the new year of 2023! Let's make this year count as new challenges are just around the corner. The 2022-23 school year is nearly halfway over which means the mid-school year slump may start to be setting in but keep pushing!! Also, this month's Rocketeer will bring new beginnings as we'd like to dedicate it to the graduating senior class. Hopefully, not all of them have senioritis yet!! Best wishes and may the new year of 2023 bring many more memories, opportunities, and adventures at Roberts School.

WORD IN THE HALLS

By: Lilly Hyvonen

It's time to hear from the students again this month. Most people are starting their New Year's resolutions, if you're looking to hear from the survey page this month you'll be hearing about the teacher's New Year's resolutions, and what the kids think about finals week.

All right back to this month's word in the halls. I have five candidates and two questions.

The first question is what do you think the word cattywampus means? Our first candidate is Senior Naomi Gross, she said backward. Junior Jozelyn Payovich said learning. Freshman Faith Pitts said something silly. History teacher Mrs. Blankenship said off center.

The second question was what is something your parents could learn from you? Naomi, Faith, and Mrs. Blankenship both said patience. Jozelyn said how to take nice selfies. TJ said how to slay. Stay tuned for next month's edition!

**CATTYWAMPUS DEFINITION: GOING BADLY, AWKWARDLY, OR
IN THE WRONG DIRECTION.**
